## → Recent Experience

**Media Mix, Baton Rouge, LA (2012)**

**Editor / Motion Graphics / Title Design**

created a promotional video for the ministry of "Kingdom Builders". Designed title cards and edited video of speaker with graphic effects.

**Traileropolis, Los Angeles, CA (2012)**

**Motion Graphics / Title Design**

Worked with a new trailer company that was revamping trailers for older films in the Lions Gate library. Designed title cards and rebranded graphics for movies including Killing Zoe, Roger Dodger, Lair of the White Worm, The Cookout, and Mistress from Lions Gate Films.

**Energize Entertainment, Baton Rouge, LA (2011)**

**3D Motion Control / Title Design**

animated vintage photographs with 3D Motion Control techniques and designed opening titles for "Historically Black," an upcoming PBS Documentary.

**I-Catchers Hair Salon, Baton Rouge, LA (2011)**

**Motion Graphics Designer, Digital Signage**

developed a new digital menu of services system to advertise selected services, products, specials, and announcements for display on plasma screens in salon foyer.

**Films in Motion, Baton Rouge, LA (2010 - present)**

**Motion Graphics Designer and VFX Artist**

worked on numerous effects for the upcoming film "Blood Out," starring Luke Goss and Val Kilmer. Removed lens flares, created muzzle flashes, composited in-car driving scenes, along with color correction and rotoscoping.

**Global Operation, Los Angeles, CA (2010)**

**Motion Graphics Designer**

designed opening for "Global Operation," a new crime drama series

**Ventoux Productions, Los Angeles, CA (2010)**

**Motion Graphics Designer**

designed spec opening and closing titles, lower thirds for "Yu Solve" web series.
